

Iowa Federation of Humane Societies

Be part of the voice for animal welfare in Iowa!

The Iowa Federation of Humane Societies (IFHS) was established in 1973 with the express purpose of promoting the advocacy and welfare of animals through an association of licensed animal shelters, humane societies, animal welfare groups, animal advocacy organizations, and concerned individuals working cooperatively for humane education and legislation.

We exist to:

- unite county and local humane societies and animal protective societies;
- encourage the support and sponsorship of humane education programs;
- advance the education of the public on the subject of animal protection, exploitation, and abuse by cultivating the public's understanding that all animals can experience suffering; and
- secure and support just laws for the prevention of cruelty to and the protection of animals through "grassroots" legislative action.

As an IFHS member, you will be helping animals throughout Iowa. There are many ways you can get involved. *Consider donating a membership to your favorite local animal advocate or animal advocacy group!* Membership renewal is in October. Reminders are sent in September.
